MaxiFlex CUT

34-8743

**Super Thin
CUT Level 3 Liner**

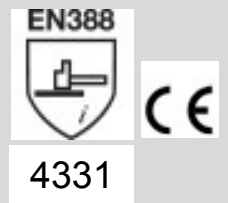

Product Description:

MaxiFlex Cut for dry environments. Patented black micro foam nitrile coated palm & finger tips, on super thin seamless knit liner.

- Super thin Cut Resistant Level 3 liner.
- Reinforcement between the thumb and forefinger, improves cut resistance and extends glove life in an inherently weak area.
- Ultra cool and very comfortable to wear, breathable coating keeps hands cool and dry.
- Excellent dexterity, sensitivity and tactility.
- Designed to produce minimal lint and dust.
- Minimal penetration (strike through) keeps the liner soft on the inside of the glove.
- DMF & Silicone free.
- Optimised grip delivered through micro cup finish, allows for controlled grip in dry environments.

Applications:

- DIY
- Finishing and Inspection.
- Maintenance
- Automotive Components
- Manufacturing
- Horticulture
- Logistics and warehousing
- Wiring operations

Technical Data:
