## MaxiCut 5 Ultra

44-3745

**Super Thin  
CUT Level 5 Liner**

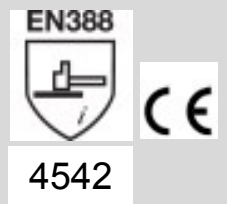

### Product Description:

MaxiCut Ultra combines high levels of cut protection with comfort, flexibility and dexterity for dry environments. Patented black micro foam nitrile coated palm & finger tips, on super thin seamless knit liner.

- Super thin Cut Resistant Level 5 liner.
- Reinforcement between the thumb and forefinger, improves cut resistance and extends glove life in an inherently weak area.
- Ultra cool and very comfortable to wear, breathable coating keeps hands cool and dry.
- Excellent dexterity, sensitivity and tactility.
- Designed to produce minimal lint and dust.
- Minimal penetration (strike through) keeps the liner soft on the inside of the glove.
- DMF & Silicone free.
- Optimised grip delivered through micro-cup finish, allows for controlled grip.

### Applications:

- Handling ceramics, corrugated sheets.
- Glass handling
- Metal sheet work
- Manufacturing
- Maintenance
- Horticulture
- Logistics and warehousing

### Technical Data:
