

SPECIFICATION SHEET

396-602

EZ-COOL COOLING TOWEL

When activated simply in a small amount of water, the amazing fabric feels cooler than the ambient temperature and will remain cool for hours. You may cut the towel size and wrap around your head, neck, wrists or use under a ventilated cap. If it dries out just add water, give it a quick wring and it's ready to continue cooling.

RETAIL READY

APPLICATIONS

Ideal for use in hot environments for **protection** from the stress of high temperatures

CARE INSTRUCTIONS

Rinse well before first use. To store, place damp towel back in the storage container. Gentle machine wash with mild soap.
